Business Restructuring and M&A
Hiring, Performance Management and Termination
Investigations
Policies, Procedures and Handbooks

Overview

Dr. Sebastian Beckerle advises clients on restructurings and employment law separation processes, and handles the entire negotiation and litigation process. His astute and structured approach makes him a valued partner for strategic and operational decisions. Sebastian enjoys traveling and has lived in Washington D.C. and Tokyo for extended periods as part of his training. Accordingly, he is able to promptly adapt to new situations, with or without cross-border connections.
