International Employment Law

Labor Management Relations

Litigation and Trials

Overview

Edgardo Ratti advises and represents companies in a broad range of employment law matters, concentrating in Italian employment law and industrial relations, both in litigation and non-contentious matters.

He has extensive experience in the field of corporate reorganizations with clients from various sectors, including engineering, food, information technology, trade and fashion.

Edgardo's professional experience includes:

- Management of corporate restructuring in leading Italian industries, sectors including engineering, food, information technology, trade and fashion
- Business redundancy crisis management
- Industrial relations
- Employment issues related to mergers and transfers of business
- Litigation
- Drafting of employment contracts, stock option plan and restrictive covenants

Edgardo was previously head of employment of Trevisan & Cuonzo, a top-tier Italian firm, after being named the youngest partner at Lablaw in 2010.

Professional and Community Affiliations

- Member, Italian Association of Employment Lawyers (AGI)

- Member, European Employment Lawyers Association (EELA), 2009-present
