### Overview

Heidy Chinchilla Trampe is an attorney and notary concentrating in labor law with over 15 years of experience. She previously was managing partner and founder of the law firm Mundo Legal.

She has led innovative strategies in the field of labor law, advising local, foreign, and multinational companies. Throughout her career, Heidy has worked as an external advisor for national and international law firms and has provided legal representation for high-profile companies. She is also a speaker at national and international events, a professor in master's programs on Labor Law, and a recognized panelist on radio and television programs focusing in corporate labor matters.

Heidy has completed master's degrees in Labor Law, Business Management, and Social Security at Mariano Gálvez University and San Carlos University of Guatemala. Additionally, she holds a Doctorate in Labor Law, Social Security, and Business Administration from the Judicial Body in collaboration with Mariano Gálvez University. She joined the firm in February 2025.
